

WARRANTY

Warranty for materials provided and installed by New Leaf Landscape:

1. Trees and shrubs are warrantied for one full year from the time they are planted (exceptions include: Dogwood trees, Japanese Maples, Rhododendrons, and all perennials). Should replacement be required, this warranty provides a one-time replacement only.
2. No warranties will be provided on plants injured or killed by vandalism, insects, animals, fungus, chemicals, neglect, or abuse from lack of proper care, including appropriate watering.
3. Warranty also excludes damage as a result of weather, such as drought, hail, high wind, flood, snow, and sudden changes in temperature.
4. All hardscape labor and materials installed by New Leaf Landscape have a one-year warranty from the date of installation.
5. Delinquent and past-due accounts will automatically void any warranty.
6. All warranty replacements of plant materials will be scheduled at the discretion of New Leaf Landscape.
